## Structural Soundness Certificate (Building Safety Certificate)

This is to certify that the school building of (Amaatra Academy, off Sarjapur Road, Survey No 45/3, Kasavanahalli Main Road, Haraluru, Bangalore – 560 102)

I have inspected the site on 10<sup>th</sup> Nov 2022 and the existing construction of the office room and class rooms are pucca with rcc roofs. Hence the construction of the school building is structurally sound and fit for running the school.
